Werdstrasse 21, 8004 Zürich.

## Arrival by public transport.

Either a 15-minute walk from Zurich main station along the Sihl river or by tram to the Stauffacher stop. The office is located in the large glass office building of the TX Group, although our name is not clearly visible. You are welcome to report to reception (marked with a star on map next page) and then enjoy one of the soft armchairs until someone comes to collect you.

## Arrival with your own vehicle.

If you wish to arrive by car, please let us know at least two working days in advance and send us your license plate number so that we can reserve a parking space for you. On the day of your visit, you can park in the courtyard of the TX buildings (entrance marked with an arrow on the map next page). On arrival, press the button in front of the barrier, say your name and who you have an appointment with (LEDCity, name of contact person). Once you have parked, please call +41 44 500 73 85 and wait at the entrance to our building (marked O on image next page). We will then pick you up downstairs.

We are looking forward to see you in person.
